EXTRAORDINARY DRINKS & FLIGHTS

FIVE EXTRAORDINARY DRINKS

IMPERIAL TEA

Tracing Manchester's history of industrial revolution and steam power, this drink encompasses both elements. A combination of spirits, citrus and sugar syrup boiled up and infused with Camomile buds served over Camomile block ice. For 2-4 to share.

25

COTTON-OPOLIS

For decades, we thrived off the cotton industry to push the financial and structural development of the city. Gin, orange liqueur, egg white, lemon juice, earl grey syrup and bergamot served straight up and garnished with an edible cotton stem.

12.50

THE HONEY POT

With the Honey Bee being the signature animal of Manchester, it was only right to play along with a drink. Scotch, lemon juice, honey and ginger served over ice with a touch of smoke. Served with honeycomb.

12.50

THE STONE ROSES

Toying with Manchester's music history and love of performance and presentation. Gin, elderflower, rose and apple liqueur with lemon juice, egg white and cucumber.

12.50

LANDLORD'S BEST

It wouldn't be Manchester without the Public Houses. This is a combination of Cognac, peach liqueur, apricot liqueur, rosé wine, lemon juice with egg white for texture.
